

Saint Ignatius College invites you to an evening with Bianca Chatfield

Bianca Chatfield was one of the youngest players ever to have debuted for the Australian Diamonds at the age of only 18.

Bianca made a name for herself on court as one of the toughest defenders in the country and was soon recognised as one of the most respected leaders in women's sport. Bianca, a five time premiership player, world championship gold medalist, Commonwealth Games silver and gold medalist, Melbourne Vixens Captain, and author of 'Every Girl Needs a Plan,' splits her time advocating for women in sport, and fulfilling her many media commitments.

A celebrated athlete, and an excellent and engaging communicator, ensuring a meaningful and memorable evening for those in attendance.
