

Hello School Friends,

GSODA Junior Players are very excited to presenting

HERCULES ...The Panto!

He's:

- strong
- mighty
- a hero
- all singing, all dancing, and
- here in Geelong!

*In a venue as big as he is, get ready for Hercules - The Panto to take to the stage in **The Geelong Arena in 2019.***

*Let the **GSODA Junior players** transport you to Athens, to the theatre of Dionysus, in a pantomime that promises to have you clutching your stomach, rolled over in balls of laughter, tapping your toes along to a catchy catalogue of multigenerational hits, and dancing away in your seats.*

A classic tale with a healthy dose of twists and turns, this story is unlike any version of Hercules that you have ever seen or heard before. Will Hercules find his true love? Will Medusa run a successful hair styling business? Will the Kings daughter marry a pop star? Confused? Come along to the Geelong Arena to see Hercules - The Panto, and all will be revealed!

Directed by Nicole Kaminski, Vocal Direction by Shayne Lowe and Choreography by Jana Kolacz

Our 2018 season of *Shrek, the Musical* was a complete sell-out. Don't be disappointed and

miss this fabulous show. We recommend that if you are hoping to bring students you **book as early as possible**. We aim to make these performances as affordable as we can, and so there has been no increase in prices from 2018.

Dates and times

There are three school shows

Thursday 27th June 9.30am and 12.30pm

Friday 28th June 11am (with country schools as first priority)

Ticket prices are \$13.00 for country schools and \$14.00 for local Geelong schools or organisations. One teacher and one assistant provided complimentary admission to accompany each class.
