

# Repair Café Bellarine

*Toss it? No way!*

[www.repaircafe.org](http://www.repaircafe.org)

Ocean Grove's Repair Café is a community initiative that promotes repairing items as an alternative to throwing them out, to reduce our landfill problem and carbon emissions. At the repair café, volunteer repair experts are available to help fix household items such as furniture, electrical items, bikes and clothing. You can visit the repair café, get a cuppa and biscuit, get something fixed, and also learn how to fix things yourself.

Be part of the war on waste, save some money, connect with people in your town, and help us share our local know-how and skills around.

Next Ocean Grove Repair Café is Sunday 14 April 10am-1pm at Bellarine Training and Community Hub, 1 John Dory Drive, then the 2<sup>nd</sup> Sunday of every second month. Future dates are: 9 June and 11 August 2019. See you there! For more information contact us at [repaircafebellarine@gmail.com](mailto:repaircafebellarine@gmail.com) or find us on Facebook and Instagram.

This project is supported by City of Greater Geelong through its Community Grants Program.
