HOUSE ATHLETICS 2021

By [Andrew Philp](#) - Correspondence News

The sports office is excited for the 2021 House Athletics Carnival that takes place at Geelong's Landy Field next Monday 15th March from 9.30am.

“We all know that in 2020 the carnival was cancelled so a lot of work has been made to ensure that there is something for everyone.” Mr Philp said.

“There are so many Year 7s and 8s that haven't been able to enjoy a whole-school Athletics event like this before. It should be a great day for everyone.”

Registration for all field events and a selection of track events closes Wednesday at 4.00pm.

Registration for events (student access only) can be accessed via the google form at <https://forms.gle/gwqgchMHH6UbF2UDh9>

2021 Saint Ignatius Boys Tennis title up for grabs. Ben Reid v Sam Hines

By [Deborah Hodge](#) - Tennis News

Kynan Bond has hailed his opponent in his loss to Ben Reid in the semi-final of the boys' Saint Ignatius Tennis championship as the 'player to beat' at this week's blockbuster boys final where Reid will play the talented Sam Hines.

Reids pinpoint returns helped rattle through three consecutive games, stealing away the initiative in the pivotal section of the contest.

The missile type returns from Reid put Bond constantly on the backfoot in what was a seesawing match that saw both players make critical errors at critical moments.

Bond had been on such a scintillating run coming into the semi-final and he knew he had to disrupt the School's tennis captain early to be in with a show.

“Ben is just a solid player. Backhand drop shots and knifed angled slices are such a strength of his. The final will be a classic.” Bond said.

The boys final will take place on Thursday 11th March at 1.00pm.

OPEN GIRLS 1STXI CRICKET CLAIM GISSA T20 CHAMPIONSHIPS

On Tuesday 2nd March, the Open 1st XI girls cricket team headed to South Barwon Reserve to compete in the GISSA Cricket championship.

After a 'team effort' win against highly fancied Clonard College, the team faced Christian College in the final.

“They were lead by a very capable and experienced captain in Zoe Dixon and both convincing victories showed how talented this group of girls really are.” Coach Allen-Emery said.

“It is super exciting for these girls who are now looking forward to entering

In other State competitions that may present themselves later in the year.”

“All girls bowled, batted and fielded exceptionally well and most importantly, their encouragement of each other was fantastic.”

SPOT LIGHT NEWS

9/10 Boys Cricket go down in a thriller against Covenant College

The first match to qualify for the final was played against Geelong Baptist College, Ignatius posted a healthy score of 140+, thanks to unbeaten innings from Jack Every, Taj Don and Tom Emery.

The victory was sealed by 50 runs thanks to some tidy bowling from openers Tom Gilet and Alex Quirk.

The final was again hotly contested with some really tight bowling from Covenant College restricting the boys to 105, with the main contribution coming from Daniel Fragapane who made 30.

“The boys were valiant in their defence of the small total but fell short by two wickets.” Mr Walscott said.

“Some strong opening batting had Covenant only requiring 25 runs with 8 wickets left so it was a great effort late from the team. The boys carried themselves very well throughout the entirety of the day.”

GISSA SWIM TEAM 2021

By [Andrew Philp](#)- Director Of Sport

After the success of our House Swimming Carnival on 25th February, the Saint Ignatius swim team will be published this week in time for the GISSA swimming Championships at Kardinia Pool on Wednesday 17th March.

“On paper our team looks quite competitive but anything can happen on the day,” an excited Mr Philp said.

“For our swimmers it is a pretty important day for them. It is an opportunity to swim against some of the best swimmers in our region.”

The 2021 swim team will be published on Tuesday this week.

Bond and Lewry send a message to all State

400/800/1500 runners.....

By [Andrew Philp](#)- Athletics News

Broden Bond (9 Thomas) has put all 800m & 1500m runners in the State on notice after a sensational regional qualifying Athletics carnival in Newport last weekend.

Broden hedged his bets trying to qualify for the 400m, 800m and 1500m for the State Championships this weekend and has qualified in all three events in fine style.

“Before Covid-19 hit in 2020 I had qualified for the State championships in these same events but the competition got cancelled,” said Broden.

“Winning two gold medals (800m & 1500m) and a silver in the 400m at Newport was the result of my hard work over the last twelve months to be honest.”

Evie Lewry (8 Chardin) will also race this weekend also in the 400m and 800m. Evie's two silver medals last weekend in Newport guaranteed her a start in the state championships as well.

The 2021 Commonwealth Bank State Track & Field Championships will be held at Lakeside Stadium on Saturday 13th and 14th March. The 800m finals for Evie and Broden will take place this Saturday morning and afternoon.
